GRAB RAILS &
INDEPENDENT
LIVING

Grab Rails and Independent Living

Whether you are looking to provide peace of mind for a loved one, fitting out a care facility, or meeting compliance, our extensive range of quality grab rails and independent living products will assist.

We offer a range of sizes, finishes and colours.

With our own manufacturing facility on the Sunshine Coast, Queensland, Emro has full control when it comes to manufacturing custom grab rails.

This provides us with the ability to provide a bespoke solution that meets your specific requirements and compliments our standard lines.
